

MIDDLETOWN SPORTSMEN'S CLUB  
FISHING REGULATIONS

1. Minnows (Dead or Alive) are forbidden to be used as bait.
2. While you are in the lake area, there is a limit of 2- lines per person.
3. Limit of 12 Panfish (Bluegills or Crappie) caught per Card Holder.
4. Limit of 6- game fish (Catfish or Trout) per card holder, including no more than 2 large mouth BASS measuring at least 14 inches. Lengths are measured from tip of snout to longest tip of tail.
5. All members of a given "Card Holder" who are fishing on the lake have to have a "FISHING LAKE" Badge on their person and it has to be in- sight all the time while they are fishing. This badge should be obtained from the front office and returned before leaving the grounds.
6. Fish Site inspections will be done by management at various time. This is your lake and management is assuming that all persons are aware of the lake rules and their importance. Failure to comply with these rules could result in the termination of your entire club membership.
