Manager Mike Erter provided a set of General Guidelines and Checklist that he felt was necessary for re-opening the club that would be in accordance with the State of Ohio mandates. Guidelines were defined for each shooting area of the club and clubhouse. A major consideration from Mike Erter was the amount of labor required to maintain and enforce the guidelines. Much discussion was held with the compromise of only opening on Fridays, Saturdays, and Sundays. A motion was made by Jerry Nickell and seconded by Tim Hunsaker.

“To reopen the MSC per the Guidelines and Checklist provided by Mike Erter on Fridays, Saturdays, and Sundays only. This condition would be reviewed after a period of time of operation and modified as needed. “

By a unanimous the motion was passed.

Meeting adjourned.
